

#60 QFGS - B HARDWARE

ASSEMBLY INSTRUCTIONS

60QFGS - B Hardware

1. Inspect the sign for possible damage during shipping.
2. Attach the ground stands to each side of the frame with the hardware included.
3. Secure hardware - (see illustration)
4. Anchor the ground stands sufficiently to the surface - we suggest the method of anchoring be to the extreme to prevent possible wind damage.
(no hardware included for anchoring)
